100 cm induction top electric double oven

Master Series

MAS105I2ENET2

The double-oven range cooker give great versatility and style to your kitchen. The main oven elecrtric oven has 11 functions, from convection, baking and grilling to warming and displays the oven functions selected , manages time during cooking and gives feedback onreal-time temperature. The useful auxiliary oven has four modes. Triple-glass doors minimise heat loss.

The hob has an induction top with five heating zones, including booster feature, pot detection, residual heat indicator for each zone and two flex zones

Matching range hood and backsplash available.

Colours shown will vary depending on your screen settings and resolution. Contact your dealer for further advice.
