

## 100 cm induction top electric triple oven Professional Series

### PRO105I3ECAT2

The triple oven range cooker give great versatility and style to your kitchen. The main oven electric oven has 11 functions, from convection, baking and grilling to warming and displays the oven functions selected, manages time during cooking and gives feedback on real-time temperature. The useful auxiliary oven has six modes. Triple-glass doors minimise heat loss.

The hob has an induction top with five heating zones, including booster feature, pot detection and residual heat indicator for each zone.

Matching range hood and backsplash available.

Colours shown will vary depending on your screen settings and resolution. Contact your dealer for further advice.
