90 cm induction top, Electric Oven
Professional Series

PRO95I1EGIT2

The original Bertazzoni Professional Series model wide format give great versatility and style to your kitchen.

The oven has 11 functions, from convection, baking and grilling to fast-preheat. Triple-glazed oven doors feature soft motion hinges and anti-slam closing system, and also minimise heat loss.

The hob has an induction top with five heating zones, including booster feature, pot detection, residual heat indicator for each zone and two flex zones

Matching range hood and backsplash available.

Colours shown will vary depending on your screen settings and resolution. Contact your dealer for further advice.
