Sleeping Well Aircon 1600

Sleeping Well is the world's first truck air conditioner that works even when the engine is not running, significantly reducing energy consumption.

Sleeping Well Aircon 1600 is the powerful DC 24 Volt single compressor air conditioner from the Indel B range: it has a power output of 1600 W. The energy consumption is extremely low and its compact and aerodynamic design makes it perfect for even the highest cabins.

Start the journey being aware that you can take the break you deserve in any condition and at any time!
